Dear Director Hoover:

I could write a lengthy letter - but it would only utalize your valuable time. But, I can assure you that I am a full-fledged supporter and worker of the Anti-Communist Christian Crusade. I could say many things about the work I am doing for your cause as a college student but I merely request, at the moment, your report called (I believe) "Communist Target - Youth - Communist Infiltration and Agitation Tactics."

If you could send about five copies it would be much appreciated and put to good use. I would appreciate you putting me on your mailing list!

Dear Mr. Hoover:

Recently I received a copy of your address before the National Convention of The American Legion in Miami Beach, Florida, on October 18, 1960. Your address was excellent, as of course all of your addresses are.

We believe that our study group leaders throughout the country would also find your address interesting and informative, and for that reason we would like to have a minimum of 200 copies of this address. If sufficient copies are available, we feel that we could use to advantage 1,000 copies.

Would you kindly let me know what the possibility is of our obtaining between 200 and 1,000 copies? Your cooperation and assistance will be greatly appreciated.

SUBJECT: REQUEST BY W. P. STRUBE, JR., VICE PRESIDENT, CHRISTIAN ANTI-COMMUNISM CRUSADE, FOR 1,000 COPIES OF DIRECTOR'S SPEECH BEFORE THE NATIONAL CONVENTION OF THE AMERICAN LEGION, 10-18-60

By letter of January 12, 1961, W. P. Strube, Jr., Vice President of the Christian Anti-Communism Crusade, advised his organization could use to advantage 1,000 copies of the Director's speech before the National Convention of The American Legion in Miami Beach, Florida, which was given on 10-18-60. He advised that study group leaders throughout the country have found this address interesting and informative.

Mr. W. P. Strube, Jr., is on the Special Correspondents' List, and we have enjoyed previous cordial correspondence with him, last outgoing 11-7-60, in which we furnished 2,000 copies of the Director's statement, "Communism: The Bitter Enemy of Religion."

The Christian Anti-Communism Crusade is headed by Dr. Fred Schwarz . W. C. Sullivan to Belmont memo dated 9-22-60 indicates that when a Special Agent of the Bureau spoke before the Dallas Freedom Forum in Dallas, Texas, on September 19 and 20, 1960, which was sponsoring a school on communism, directed by Dr. Schwarz , the Special Agent commented that Schwarz made several pitches for articles in a book which he had written on communism, and his publications were prominently displayed. As it appeared that he was trying to capitalize on the Bureau's reputation, it was indicated that our dealings with him and his organization should become most circumspect.

Although the Bureau is currently being circumspect in furnishing speakers to the Christian Anti-Communism Crusade , it is felt that forwarding 1,000 copies of the reprint which Strube has requested would seem advisable in this instance.

Dear Friend in Christ our Risen Savior,

I am [redacted] and am in training for the ministry of the Gospel of Lord in the Lutheran Church-Missouri Synod. Three of us students have heard the tape of John Nobel's experience in the Soviet Union for the nine and one-half years as a slave in Russia. We have dedicated ourselves to the fighting of this monster by spreading the information about its shady workings.

We set up a committee for the spreading of this information in our California Concordia College and have already received the permission to play the above mentioned tape to the whole school and we have received several hundred copies of the pamphlet by Dr. Schwarz "Will You Be Free To Celebrate Christmas In The Future?" and plan to hand these out to the students at the first study class which will closely follow the tape playing. Our committee has been reading extensively on this subject and find much use with your excellant book Masters of Deceit.

We have been talking to several people about Communism and it is too unbelieveable to be accepted at the first encounter with its treacheries by they who are not moderately well-read on this "embodiment of the devil", could you take some time out of your busy day and tell us how we can best insure that our children will be free to hear the Gospel message just as we have heard it and thus come unto Salvation? Is there any other view than the one taken by Christianity and the one taken by Communism? Are all these books just written by "right wing-ests" who always just distort the facts to be sensational? Could you tell us a little about the H.U.A.C.

We all include you and your fine work in our prayers and are thus sure that you will be successful in your future carreer because He has promised us all that is asked for in faith and is according to His Divine Will. May He be and abide with you and yours till He takes us to our eternal rest.

Yours in Christ, our new-born King and Savior.

SUBJECT: REQUEST FOR MATERIAL ON COMMUNISM BY J. L. WALDRON, SECRETARY, "DICKINSON FREEDOM SEMINAR," DICKINSON, TEXAS

By letter of 1-4-61, J. L. Waldron, Secretary, Dickinson Freedom Seminar, Dickinson, Texas, advised that various civic groups are sponsoring a seminar in Dickinson, Texas, on February 2, 9, 16, 23, 1961, under the direction of Mr. W. P. Strube, Jr., of the Christian Anti-Communist Crusade. They anticipate an audience of approximately 500 individuals each night. He requested literature to be distributed at this seminar.

Bufiles contain no identifiable information regarding Waldron or the Dickinson Freedom Seminar.

Bufiles do reflect that we have had cordial correspondence with W. P. Strube, Jr., who is on the mailing list to receive the Uniform Crime Reports bulletins. The Christian Anti-Communist Crusade is headed by Dr. Fred Schwartz. W. C. Sullivan to Belmont memo dated 9-22-60 indicates that when a Special Agent of the Bureau spoke before the Dallas Freedom Forum in Dallas, Texas, on September 19 and 20, 1960, which was sponsoring a school on communism, directed by Dr. Schwartz, the Special Agent commented that Schwartz made several pitches for articles in a book which he had written on communism, and his publications were prominently displayed. As it appeared that he was trying to capitalize on the Bureau's reputation, it was indicated that our dealings with him and his organization should become most circumspect.

In respect to Waldron's request, Mr. Belmont has stated, "I disagree. I don't think we should let Schwartz capitalize on the Director's articles. Schwartz is empire building."

As Waldron represents an organization of private citizens endeavoring to fight communism and since the request has emanated from him and not directly from Schwartz's organization, it is felt that we should comply with his request.

RECOMMENDATIONS:

TO : DIRECTOR, FBI

DATE: 1/25/61

FROM : SAC, SAN FRANCISCO (100-40407)

SUBJECT: CHRISTIAN ANTI-COMMUNISM CRUSADE, NORTHERN CALIFORNIA BRANCH
INFORMATION CONCERNING

On 1/23/61, JOOST SLUIS, MD, Director of the Northern California Branch of the above organization, with offices at Room 306, Hobart Building, 382 Market Street, San Francisco 4, California, called at this Office advising that his organization planned to have a school in July similar to one that they had previously run in Philadelphia, Pennsylvania and in Piedmont, California. SUBJECT ORGANIZATION

Attached for the completion of the Bureau's file is a flyer regarding the school that he conducted at Piedmont, California, and one regarding the school conducted at Philadelphia, Pennsylvania. Also attached is a newspaper clipping regarding the school conducted at Piedmont, California.

Dr. SLUIS advised that he was considering setting up a school such as had been conducted by this organization before in such places as Jamaica, British West Indies, probably during the coming summer, and that "CIA was well-informed and helping to back the situation." He advised that he had not contacted the State Department but that he probably would.

The above is being furnished the Bureau because of SLUIS' statement indicating that CIA was backing him or his organization.

For the further information of the Bureau, Dr. JOOST SLUIS has been described in newspapers as a clinical instructor, University of California Medical School, who was born in Holland and became an American citizen in 1944. He served in the U.S. Navy in World War II; graduated from Massachusetts Institute of Technology with a Master of Science in geophysics degree in 1947, and from Harvard Medical School in 1951. He is also reported to have toured Central and South America to study the influence of international communism in 1959 or early 1960. CENTRAL AMERICA

Dear Mr. Cosgrove:

Thank you for your letter of January 20, 1961, and the program of the Orange County School of Anti-Communism which you enclosed.

It will not be possible for me to make a tape recording for the school as you requested. I have recently had a large number of similar requests and have had to decline in each instance because of the press of official duties. I trust you will understand my position.

NOTE: The Orange County School of Anti-Communism and Mr. Thomas A. Cosgrove are not identifiable in Bufiles. Cosgrove's letter shows the school is sponsored by the Christian Anti-Communism Crusade. Dr. Fred C. Schwarz, an Australian physician, is head of the Christian Anti-Communism Crusade. Files indicate he has been instrumental in sponsoring anti-communist schools throughout the country, one of which was held in Los Angeles in November, 1960. The program enclosed by Cosgrove shows Schwarz will have a prominent part in this school. Memorandum from Mr. Belmont to Mr. Parsons dated 11-2-60 stated that Dr. Schwarz's endeavor seems to be a commercial venture and Dr. Schwarz appears to be

For this reason no literature is accompanying this letter to Cosgrove. A copy of this letter is being sent to Congressman Utt at the specific request of Mrs. Adamis from his office. She advised that she desires a copy of our reply to Cosgrove to complete her files.

Dear Mr. Hoover:

Enclosed is a program of the Orange County School of Anti-Communism.

The school would appreciate the honor of hearing from you. If possible, could you tape record a few minutes of introduction to the "students"? We will arrange the set-up near your office, to take as little of your time as is possible.

If you should be in the area during the school, and would feel inclined to say a few words at the school, be assured that everything else will be cancelled to hear you.

Thank you very much for your past cooperation.

Sincerely,

Tom Cosgrove

NOTE: No record was located in Bufiles concerning [redacted] Bureau material has been made available to Dr. Schwarz, W. P. Strube and others affiliated with Dr. Schwarz's Christian Anti-Communism Crusade. W. C. Sullivan memo to Belmont dated 9-22-60 indicates that when a Special Agent of the Bureau spoke before the Dallas Freedom Forum, Dallas, Texas, on 9-19 and 20-60, (which sponsored a school on communism at that time directed by Dr. Schwarz) the Special Agent commented that Schwarz made several "pitches" for articles in a book which he has written on communism and his publications were prominently displayed. In view of Schwarz's opportunistic activities in promoting his own writings, careful consideration should be shown in the future in furnishing speakers in view of the possibility that he might attempt to capitalize on the Bureau's reputation.

Dear Sir:

Recently in the Dallas News I read your article The Red Menace. I have twenty five copies to send to others. Thank God our country still has men like you in high government positions.

Sir; I know you are a very busy man but you are the only completely indisputable authority to whom I can turn.

The spread of Communism is of such concern to me that I have endeavored to learn all I can about it and to pass information on to others. I have often read and passed on material by a Dr. Fred Schwarz. In my opinion he is a dedicated anti communist attempting to awaken the people. However, I have encountered some who question his medical back ground and to top it off yesterday a sincere friend said he might well be a Communist agitator. This friend might question my judgement but she would never question yours. Therefore a word of approval of Schwarz would set her thinking straight and she would work to waken others to the dangers of Communism.

Dear Mr. Hoover;

No doubt you have heard that a great many of us here in the San Diego, Calif. area have dedicated ourselves to help you in your fight against the Communist Conspiracy, it is only in the past few months that we have acquired this dedicated determination to do all in our power to overthrow this menace, and we can lay our dedication at the door of Dr. Fred Schwarz who held his Christain Anti-Communism Crusade School here in August of 1960, before that we were as complacent as the most of the people of this great nation, but he certainly opened the eyes of many of us here, and I thank God that he sent this man to San Diego.

My realreason for writing you this letter is not to tell you of something you are probably well aware of but to ask you if you make taped speeches, my husband and I have a study group,(and we also belong to several more) and all of these people would be extremely pleased to hear speeches from a man who is our greatest authority on how to best deal with this conspiracy. We have all read your very informative book on "Masters of Deciet" and think it is extremely enlightening, we have also given away several dozen paper bound editions to people feeling at least that our money has been very well spent, and that we would prefer to give it away in that respect than to have it stolen from us if this nation is ever unfortunate enough to be over run with the Communists, and may God forbid that this will ever happen.

Thanking you for any information you can send me, I am,

Most Cordially and Sincerely

WHEN DOES AN AMERICAN CEASE TO BE AN AMERICAN

Does he cease to be an American only when his citizenship is revoked?

OR: When of his own volition, he fails to use his natural resources and depends on the government (the people) for his support and thus becomes a drag on the nation?

Or does it cease when he fails in his duties as a citizen to vote, or to take interest in his government and in his elected representatives?

When he knowingly allows his elected representatives, or others to take exception to the law for personal gain, or for the gain of special interests? Does it make a difference if the special interest is a person, group, corporation, or foreign power?

Does it occur when he fails to take action for the safety and well-being of his nation, state, individual, related or not related to himself?

Or when his omission or failure to act allows danger or disfavor to fall on his nation or his people?

Does it occur when in his mind he takes up the cause of an enemy, or in his words, or in his actions?

Does it occur when he fails to defend his nation against its enemies?

Does it occur when he gives aid to the enemies of his nation?

Or does it cease when he takes up arms against the United States for purely personal reasons, or for a foreign power? Does it make a difference if the weapons are words and not guns?

We are at war, as much today as we were on December 7, 1941. We are at war with Communism, not by our desires, but by the doctrine and be the declaration of the proponents of Communism! We do not want this War, but we cannot refuse it, because to refuse it is to surrender our freedoms, and very likely our lives to the cause of world conquest by the Communist Conspiracy.

At what point does a man cease to be an American? This should be the concern of every person in this nation, for without a firm belief in God, in the American way of life, in our Declaration of Independence, in our Constitution, and in our Bill of Rights he has already taken his first step in the loss of his American Citizenship.

ENCLOSURE 94-50868-88

This is an article that my husband wrote and which I am very proud of, it has also been widely circulated in this area and published in our daily paper "The San Diego Tribune", and I am hoping that you to will think it is a worthwhile article.

Dear Mr. Hoover:

You will find enclosed an article which appeared in the January 21 issue of the Houston Post. Do you have any knowledge of the Moral-Rearmament organization? The material within the article appears to be of a positive, constructive nature on conditions to which Americans have long needed to be alert. I am wondering if the real intent behind the statement is as genuine and sincere as it appears to be on the surface--that is, to arouse citizens at this late hour from a state of lethargy to an awakening of moral, Christian responsibilities.

Do you feel that the work of Dr. Fred Schwarz and his Christian Anti-Communism Crusdae is effective in combatting Communism? I have never attended any of his schools, but have read his testimony given in 1957 before the House Committee on Un-American Activities and some of his writings.

If you have a publication on the nation-wide communist-front organizations, will you please send me 6 copies?

Thanking you, I am

Your letter postmarked January 23, 1961, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, as a matter of policy, I am unable to recommend an organization to you as requested in your communication. I hope you will understand my position. With regard to the organization which you specifically mentioned in your letter, information in the files of this Bureau is maintained as confidential and available only for official use in connection with a regulation of the Department of Justice. Also, the FBI is strictly an investigative agency of the Federal Government and does not provide evaluations or comments concerning the character or integrity of any individual, publication or organization. Please do not infer that we do or do not have in our files the information you desire.

NOTE: Frequent citizens' inquiries are received concerning Moral Re-Armament. Nothing derogatory concerning it in Bufiles and the group has not been investigated by the Bureau.

Bureau material has been made available to Dr. Schwarz, W. P. Strube and others affiliated with Dr. Schwarz's Christian Anti-Communism Crusade. W. C. In view of Schwarz's opportunistic activities in promoting his own writings, careful consideration should be shown in the future in furnishing speakers in view of the possibility that he might attempt to capitalize on the Bureau's reputation.

In view of above information regarding Dr. Schwarz, current reply is believed to best serve the Bureau's interests. No record Bufiles on correspondent.

The John Birch Society is allegedly an anticommunist organization with branches over the various parts of the country. Our field offices have been alerted to watch its activities inasmuch as its head, Robert Welch, indicated at one time that he thought a group having the appearance of a front organization might be effective in attracting true subversives. Welch has, in the past, also attacked President Eisenhower and his Administration in his writings. This reply deemed advisable in view of combination of inquiries by correspondent.

Dear Mr. Hoover:

Thank you very much for your literature and speeches of the fight against Communism. I will be able to use these as reference materials.

Some friends and myself have been thinking of joining the "Christian Anti-Communist Crusade" under the leadership of Dr. Schwartz, California. Your aritcles suggest that citizens should investigate before alinging themselves with any such groups. Is this group worthwhile and beneficial to the American way of life? I would appreciate your opinion. Thank you.

Mr. J. Edgar Hoover
Federal Bureau of Investigation
Washington, D. C.

Dear Mr. Hoover:

For some time I have been greatly disturbed by the attitude on the part of some churches and particularly The Methodist Church, since that is my church, in the matter of communist subversive activities in our country.

I am sure you are aware of the fact that The Christian Century published an editorial asking for the abolition of the House Committee on Un-American Activities and also cast doubt on the authenticity of the films on the San Francisco riots May 12-14, 1960. Ministers have evidently picked up this information and are passing it on to their congregations. I am enclosing a copy of a bulletin from a Methodist Church in Los Angeles which is obviously an attack from a minister who is completely misinformed.

There has also been a letter sent to all Methodist ministers in the Southern California--Arizona Conference under the signature of Frank Williams, Executive Secretary of the Conference telling them not to support the Christian Anti-Communist School directed by Dr. Fred Schwartz. This letter was reproduced in a church bulletin in Tustin, Calif., a copy of which is attached.

I would be most anxious to have any documentation that you might have that can be used to refute these attacks both on the film and on the Anti-Communist School. Also I would appreciate your comments on the best way of approaching these problems.

Very truly yours,

ST. MARK'S EPISTLE

PUBLISHED BY
SAINT MARK'S METHODIST CHURCH

LOS ANGELES, CALIF.

ALL-CHURCH-MISSION DINNER SET, 29 JANUARY

THE FIRST ALL-CHURCH MISSION DINNER OF THE NEW YEAR WILL BE HELD, SUNDAY, 29 JANUARY, 6:30 P M, IN FELLOWSHIP HALL. THE DINNER WILL BE POT-LUCK IN THE FAMILIAR ST. MARK'S STYLE, AND THE TOTAL FAMILY WILL BE INVOLVED.

FEATURED IN THE PROGRAM OF THE EVENING WILL BE THE PRESENTATION OF A NEW SOUND-MOVIE IN COLOR ON THE ALCOHOL PROBLEM. THIS AREA OF CONCERN IS ONE OF THE STUDY COURSES FOR THE YEAR IN MISSIONARY EDUCATION. THE BASIC MATERIAL FOR THIS STUDY IS FOUND IN THE NEW BOOK, "STUMBLING BLOCK", BY DOUGLAS JACKSON. THROUGH THE COOPERATION OF THE COMMISSION ON CHRISTIAN SOCIAL CONCERNS THIS BOOK HAS BEEN MADE AVAILABLE TO MEMBERS OF OUR CONGREGATION BY MEANS OF THE BOOK TABLE IN THE NARTHEX ON SUNDAY MORNINGS. MANY COPIES OF THE BOOK HAVE BEEN PURCHASED AND READING HAS BEEN WIDESPREAD. THE BOOK IS A STUDY OF ALCOHOL AND CHRISTIAN RESPONSIBILITY. IN THE INTRODUCTION TO THE BOOK, BISHOP ARTHUR J. MOORE SAYS, "IT IS THE PURPOSE OF THIS BOOK TO GIVE US A CLEARER UNDERSTANDING OF WHAT IS REQUIRED OF SINCERE CHURCHMEN AND TO PROVIDE THE NEW APPROACH THE TIMES DEMAND. THIS PROBLEM OF ALCOHOL IS ALSO A WORLD PROBLEM. IN MANY LANDS, AS IN OUR OWN, MANY OF THOSE TO WHOM THE GOSPEL COMES AS A LIBERATING AND LIFE-CHANGING MESSAGE ARE AMONG THOSE WHO SUFFER DIRECTLY OR INDIRECTLY FROM THE EFFECTS OF THE USE AND SALE OF ALCOHOLIC BEVERAGES. THE PROBLEM HAS A CRUCIAL BEARING UPON ALL OUR MISSION WORK AT HOME AND OVERSEAS."

THE SOUND-COLOR-MOVIE WHICH DEALS WITH THIS PROBLEM TO BE SHARED ON 29 JANUARY IS ENTITLED, "FAR FROM ALONE". MAKE PLANS NOW TO BE PRESENT FOR THE FOOD, FELLOWSHIP AND INSTRUCTION.

"OPERATION ABOLITION"

THERE IS A DANGEROUS PIECE OF PROPAGANDA MAKING THE ROUNDS OF CHURCHES, SCHOOLS AND CLUBS USUALLY UNDER THE SPONSORSHIP OF "PATRIOTIC" ORGANIZATIONS. IT IS A FILM CALLED "OPERATION ABOLITION" AND DEALS WITH THE STUDENT DEMONSTRATIONS IN SAN FRANCISCO LAST MAY. THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE SUBPOENAED SEVERAL ALLEGED COMMUNISTS FOR PUBLIC INTERVIEWS. THE STUDENTS FROM SEVERAL BAY AREA COLLEGES AND UNIVERSITIES DECIDED TO EXERCISE THEIR LAWFUL RIGHTS OF PROTEST AND PETITION BY PICKETING THE HEARINGS. AMONG OTHER THINGS THEY WERE CONCERNED ABOUT THE COMMITTEE'S REFUSAL TO PUBLISH THEIR SOURCES OF INFORMATION AND REFUSAL TO ALLOW WITNESSES THE OPPORTUNITY TO CROSS EXAMINE THEIR ACCUSERS. THE STUDENTS HAD AGREED THAT THERE WOULD BE NO VIOLENCE, THAT THEY WOULD FOLLOW THEIR OWN CHOSEN LEADERS, THAT THEY WOULD WEAR IDENTIFYING ARM BANDS, AND WOULD NOT PERMIT OUTSIDERS TO INFILTRATE THEIR RANKS. DENIAL OF PROMISED SEATS IN THE HEARING ROOM AND FUMBLING BRUTALITY OF POLICEMEN PROVOKED SOME OF THE STUDENTS BEYOND THEIR SELF-CONTROL. THE RESULT WAS TOO MUCH NOISE BY THE STUDENTS; THE OFFICERS DRAGGED AND WASHED THEM OUT OF THE BUILDING WITH FIRE HOSES. NEWS CAMERAS RECORDED THESE SCENES. AFTER THE PROCEEDINGS THE HUAC SUBPOENAED THE FILMS, AND, WITHOUT COMPENSATING THE OWNERS OF THE FILMS, TURNED THEM OVER TO A PRIVATE COMMERCIAL ORGANIZATION WHO DELETED AND EDITED THE FILMS INTO A MOVIE, "OPERATION ABOLITION". THE MOVIE SETS OUT TO PROVE THAT THE STUDENTS WERE INSPIRED AND LED BY COMMUNISTS. IT IS NOT AN HONEST MOVIE. THE MEN WITH THE SCISSORS CUT OUT ALL PICTURES OF THE PROVOCATIVE ACTS BY THE POLICE; DO NOT SHOW THE CARE TAKEN BY THE STUDENTS TO PREVENT INFILTRATION, VIOLENCE AND RIOTING; AND ARE ABLE TO CHANGE THE CHRONOLOGY OF EVENTS SO THAT ACTS THAT DID NOT HAPPEN CONSECUTIVELY ARE SHOWN AS IF THERE WERE A CASUAL RELATIONSHIP BETWEEN THEM.

THE STUDENTS WERE IN ERROR WHEN THEY BECAME UNRULY; BUT THE MAIN CONCERN IS WITH THE DISTORTION OF TRUTH. THE HUAC HAS SAID MUCH ABOUT THE DISHONESTY OF THE COMMUNISTS, YET IT HAS RESORTED TO THE SAME TACTICS.

Letter from Conf. Headquarters

The following letter was sent to all the ministers in this area from our Conference Executive Secretary of the Commission of Christian Social Cerns. It involves a group who in the name of Christianity and patriotism has done a great deal of harm. This letter is being reprinted here as a warning to you to be on the look-out for this group and by all means to avoid such people.

Dear Brother Minister:

I was instructed by the Executive Committee of the Conference Board of Christian Social Concerns, which met October 20, to write to you regarding the Schools for Anti-Communists.

One of these schools was held in San Diego during the latter part of August. It was reported to our Executive Committee that the school produced hysteria; name calling and programs which have tended to seriously divide people. A follow up program in San Diego has been pushed into P. T. A. 's, churches and other community organizations with the result that the above effects have been further increased.

A school identical to the one held in San Diego and sponsored by the same persons has been announced for Los Angeles, November 7-11.

The Executive Committee of the Board of Christian Social Concerns seeks through this letter to alert you as a pastor to the danger of this school.

Sincerely yours,

Frank S. Williams

Dear [redacted]

Your letter of February 1, 1961, has been received.

It is my firm belief that a broad knowledge of the objectives and operations of the communist conspiracy is essential if Americans are to effectively resist its influence, and I feel that programs designed to achieve this purpose are worthwhile. However, inasmuch as the FBI is strictly an investigative agency of the Federal Government, I am not in a position to comment regarding specific proposals such as you outlined.

I do appreciate your interest in writing to me about this matter, and I am pleased to enclose some material on the subject of communism which may be of assistance to you.

J. Edgar Hoover, Director.
The Federal Bureau of Investigation.
Washington, D. C.

Dear Sir;

In the past, most of the legislators and other important men in our federal government have had the opportunity to hear the free world's experts testify on the nature, causes and cure of Atheistic Communism. These men speak with great authority and yet their message, for some season or other, goes unheeded. Where is the logic in it? I love my country very much, so I find this quite disheartening.

Would you join me in proposing that these same hard, cold facts be presented to the rest of the American people? It is only fair that all of our people be told the truth about Communism and in this way be given a chance to decide if our great country should take the necessary steps to begin stamping it out wherever it exists.

I would like to see private initiative, or the federal government if necessary, sponsor a television school resembling the "Philadelphia School for Anti-Communists" which was held in that city during the week of November 15-19, 1960. (I was not present at the school, but I have and use the tapes of the sessions.)

Having suggested that the federal government might be asked to co-operate in such a venture, I now feel a need to clarify

my position in this regard. The federal government has done much to help our citizens, maybe even too much. But one thing more I would ask of her : to remind the people of their personal responsibility to the restoring and maintaining of good government, based on the traditional interpretation of our Constitution. This she can do better than anyone else because of the authority with which she speaks and the respect and devotion that most of our citizens still have for her.

The complete television presentation might consist of a series of weekly programs, of say one half hour duration, which would continue until all the material had been covered.

The use of prime television time would be absolutely necessary to assure any amount of success for this program.

The "Christian Anti-Communism Crusade" might be willing to organize or supervise such a school.

Two of my reasons for suggesting the school are as follows:

1. It is nearly impossible to diagnose the symptoms of, and exact a cure for, a disease when we do not know its nature.
2. Having been armed with the true knowledge of Communism, man can put away the fears which have reduced him to a state of inaction, demoralization and irresponsibility (characteristics not found in our predecessors) and then he will be able to rise once again to the call of freedom.

I do not believe the idea set down in this letter is a cure-all for the ills of the world, but it might provide a fresh approach to the problem.

If in your judgement this scheme has sufficient merit, would you please do what you can to bring it to fruition?

Very sincerely yours,

DEAR MR. HOOVER:

AS WAS EXPLAINED TO YOU BY [redacted] IN HIS LETTER TO YOU OF DECEMBER 22, 1960, WE ARE TO HAVE AN ANTI-COMMUNISM SCHOOL IN TYLER MARCH 14 THROUGH 18, 1961. THIS SCHOOL WILL BE PATTERNED AFTER THE DALLAS SCHOOL THAT WAS CONDUCTED IN SEPTEMBER, 1960. WE WILL HAVE THE SAME TUITION RATE ALTHOUGH WE WILL HAVE A SLIGHTLY HIGHER BUDGET. OUR ADVISORY BOARD HAS AGREED TO UNDERWRITE ANY LOSS THAT WE MAY INCUR.

WE ARE ENCLOSING A COPY OF OUR SPEAKERS SCHEDULE IN ORDER FOR YOU TO DETERMINE THE NATURE OF OUR PROPOSED SCHOOL. WE ARE ALSO ENCLOSING A LIST OF THE TYLER CITIZENS COMPRISING OUR ADVISORY BOARD. THESE ARE ROUGH REPRODUCTIONS BECAUSE WE HAVE NOT AS YET RELEASED OUR BROCHURE FOR PUBLICITY AND SCHOOL USE. WE EXPECT TO RELEASE THE FINAL PROGRAM WITHIN THE NEXT WEEK.

WE ARE PLANNING TO MAIL 20,000 COPIES OF THIS PRINTED PROGRAM OVER THE ENTIRE EAST TEXAS AREA WITH THE HOPE OF HAVING SOME 1,500 PEOPLE IN ATTENDANCE AT EACH MEETING. WE WOULD LIKE VERY MUCH TO HAVE SOME STATEMENT IN A LETTER OR TELEGRAM FROM YOU THAT WE MIGHT PUBLISH IN THE FRONT OF THIS BROCHURE RELATIVE TO THE VALUE OF EVERY AMERICAN'S BECOMING INFORMED ON THE COMMUNIST CRIMINAL CONSPIRACY AND THE VALUE OF SEMINARS SUCH AS THE ONE WE ARE TO CONDUCT. I AM SURE THAT IT IS UNNECESSARY FOR ME TO STATE THE FACT THAT YOU PROBABLY HAVE THE GREATEST RESPECT OF ANY LIVING AMERICAN AND YOUR ENDORSEMENT, HOWEVER MILD OR GUARDINGLY WORDED, WOULD ENCOURAGE MANY PEOPLE TO ATTEND THE SCHOOL.

THANK YOU FOR YOUR TIME AND CONSIDERATION AND WE TRUST THAT YOU WILL BE ABLE TO ASSIST US IN THIS MATTER.

SUBJECT: TYLER FREEDOM FORUM

The Director is in receipt of a letter dated January 27, 1961, from John Hardin, Chairman, Steering Committee, Tyler Freedom Forum, Tyler, Texas, which indicates that this group is sponsoring an anti-communism school in Tyler from March 14-18, 1961. This school will be patterned after a similar anti-communist school held in Dallas in September, 1960. The school will charge tuition. Among speakers listed are Dr. Fred Schwarz, W. Cleon Skousen (a former Bureau Agent), and Dr. Robert Morris. Hardin would like the Director to prepare a short statement for use in a brochure advertising the affair. Bufile 94-50868 reflects that by letter dated December 22, 1960, [redacted] Tyler Pipe and Foundry Company, Tyler, Texas, indicated that the Tyler Freedom Forum was being planned and would be sponsored by a local committee in conjunction with the Christian Anti-Communist Crusade, headed by Dr. Schwarz. [redacted] requested Chief Inspector William Sullivan to address the Forum. By letter dated December 30, 1960, [redacted] was advised that the pressure of our official responsibilities prevented the sending of Mr. Sullivan or any other representative.

b6
b7C

It is noted that a Bureau representative addressed the Dallas Freedom Forum in September, 1960, and noted that Dr. Schwarz made several "pitches" for articles in a book which he had written on communism and his publications were widely displayed. It would appear that Schwarz is financially benefiting from the Forum, it being noted that tuition is being charged.

It is felt unwise for the Director to furnish the requested statement as it appears the statement will be utilized in an advertising brochure for the purpose of exploiting the Bureau's name to encourage attendance. Hardin is not identifiable in Bufiles.

RECOMMENDATION:

That the attached letter be sent to Mr. Hardin indicating that because of a great number of similar requests, it will be impossible to be of assistance.

SUBJECT: REQUEST FOR DIRECTOR'S ARTICLES AND SPEECHES IN QUANTITY BY THE HOUSTON FREEDOM FORUM.

A letter dated 2-3-61 has been received from Mr. Frank A. Fuller of The Houston Freedom Forum, wherein he points out that over 3,000 people are expected to attend their Forum on 2-25, 3-4, 11 and 18-61. He requests 2,000 copies each of any available material on communism which this Bureau can send him, and thanks us for the copies we have furnished in the past. He indicates any surplus copies will be used by the local office of The Christian Anti-Communism Crusade and The Cardinal Mindszenty Foundation. According to the letterhead, The Houston Freedom Forum is being held in association with The Christian Anti-Communism Crusade and W. P. Strube, Jr. of The Christian Anti-Communism Crusade is the Forum's General Chairman. In a Sullivan to Belmont memorandum dated 9-22-60 it was set forth that Special Agent [redacted] of the Central Research Section spoke before the Dallas Freedom Forum on 9-20-60 and while there met the President of The Christian Anti-Communism Crusade, Fred C. Schwarz, M.D., Sydney, Australia. Schwarz confided to [redacted] that he started his "schools" on communism in St. Louis, Missouri, in 1958, with only ten dollars, but has "really been rolling along since then." Schwarz made several "pitches" during his appearances before the Dallas Freedom Forum for articles and books which he has written on communism and these items were prominently displayed in the rear of the auditorium where they were being offered for sale to participants in the Forum. Schwarz made a particular point of promoting a new anticommunist book he has written entitled "You Can Trust the Communists."

b6
b7C

The memorandum brings Schwarz' opportunistic activities to the Bureau's attention for consideration should further requests be received by Bureau representatives to lecture at functions at which Schwarz may be directly involved. It suggests the possibility that Schwarz might attempt to capitalize on the Bureau's reputation.

REC. 58 94-50865-99

From Fuller's letter, it is quite apparent that The Houston Freedom Forum is capitalizing on our reputation. Being able to hand out numerous reprints released by us undoubtedly gives greater importance to the Forum's activities, and may, in effect, be putting a tacit stamp of approval on the purposes of the Forum in the minds of those in attendance. Of course, it also saves the Forum quite a bit of money as well. While distribution of the Director's articles and speeches by this

Forum undoubtedly gets the Director's message on communism across to many people, it is felt that it would be better to distribute the publications under the Bureau's auspices rather than through an organization which may have a secondary purpose of promoting its own wealth and prestige.

RECOMMENDATIONS:

1. That no publications be furnished Mr. Fuller for distribution at The Houston Freedom Forum.

Attention: John Edgar Hoover, Director

Dear Sir:

Your letter of Dec.30,1960, and the literature concerning Communism were well received and appreciated.

I am vice-chairman of a study group under the auspices of the Christian Anti-Communism Crusade which I mentioned in my last letter. This group, I am happy to state, is now up to twenty seven members from my own, and other churches in the immediate area. We have had seven meetings of an eighteen meeting schedule to educate ourselves by means of tapes, films, and systematic reading. Now the demand is growing for the chairman and myself to spend time assisting other such groups to get under way. We will conduct two such sessions this week, and will send tapes and instructions along with another member to a third potential group. I relate these facts to you to assure you of what seems to be a ground swell of interest and determination among evangelical Christians in this area.

The articles you contributed to "Christianity Today" were exactly the type of message needed to convince the Christian that this is his fight, and I would like to have fifty to one hundred copies to use in my work. If you can direct me to a source for these, I can direct our secretary to order them. I refer specifically to " Red Goals and Christian Ideals",Communist Propaganda and the Christian Pulpit", and "Soviet Rule or Christian Renewal".

I am frequently asked the question, "What can we do?" I generally counter this with a reminder that we must become educated in the subject before we can be effective, and certainly seven meetings do not constitute an adequate study. Again, to a christian, the responsibility of Christ's commission is perfectly clear, and our need to be local missionaries is obvious. In addition to this, I would appreciate any suggestions you might have concerning direct action as regards effectively being aware of legislative threats which we might actively combat through our congressmen, or any other such activity of practical value.

Thank you very much for your cooperation.

Very truly yours,
Robert E. Gerber

REQUEST FOR "COMMUNIST TARGET--YOUTH"
IN QUANTITY

The Office of Congressman James B. Utt, (R), California, DC contacted your office the morning of 2-13-61 and advised that the Orange County School of Anti-Communism is holding a week's meeting, March 6-10, 1961, at the Disneyland Hotel. They expect about 1,000 on Youth Day and would like as many "Communist Target--Youth" reprints as we can spare. We were asked to send them to Mrs. Andrew A. Pollock, Literature Chairman, Orange County School of Anti-Communism, Post Office Box 228, Fullerton, California.

No information identifiable with Mrs. Andrew A. Pollock was located in Bufiles; however, a letter dated 1-20-61 from another official of this school, Thomas A. Cosgrove, clearly indicates that it is sponsored by the Christian Anti-Communism Crusade. This latter organization is headed by Dr. Fred C. Schwarz. A memorandum from Mr. Belmont to Mr. Parsons dated 11-2-60 states that Dr. Schwarz' endeavor seems to be a commercial venture and he appears to be an opportunist. This memorandum recommended that we should furnish no additional literature to Schwarz should he request it.

The program submitted by Mr. Cosgrove concerning the Orange County School of Anti-Communism, March 6-10, 61, shows that Dr. Schwarz will have a prominent part in this school. Mr. Cosgrove's request for a tape recording by the Director was refused, and it is believed that the current request from Mrs. Pollock for a quantity of "Communist Target--Youth" should also be turned down.

RECOMMENDATION:

REC-19 94-50868-101

COL XE

That your office contact the office of Congressman Utt and tactfully advise the proper individual that our supply of "Communist Target--Youth" and other reprints on communism have been exhausted and will not be replenished in time for use at the Orange County School of Anti-Communism.

We have received the twelve copies of "La Respuesta de una Nation al Comunismo", and thank you for them very much. We are having more and more need for material in Spanish, and are extremely glad to have this made available to us.

Would it be possible for you to send us several hundred copies of this booklet? We will be able to put them to very good use.

Dear [redacted]

Your letter was received on February 13, 1961, and the interest which prompted you to write is appreciated. It was kind of you to comment as you did.

While I would like to be of assistance, the jurisdiction and responsibilities of the FBI, as an investigative agency of the Federal Government, do not extend to furnishing evaluations or comments concerning the character or integrity of any individual, publication or organization. I hope you will not infer in this connection either that we do or do not have data in our files regarding the organization or individual you mentioned.

Enclosed is some material regarding the general subject of communism which may be of interest to you.

Sincerely yours,

NOTE: [redacted] is not identifiable in Bufiles. Bureau material has been made available to Dr. Frederick C. Schwarz and others affiliated with the Christian Anti-Communism Crusade. Sullivan to Belmont memo of 9-22-60 indicates that when a representative of the Bureau spoke before the Dallas Freedom Forum in September (which sponsored a school on Communism at that time directed by Dr. Schwarz,) the Agent commented that Schwarz made several "pitches" for articles in a book he had written on communism and his publications were displayed. Neither he nor his organization has been investigated by the Bureau.

Dear Mr. Hoover:

I have recently been informed of the grave threat of Communist take-over in the United States and I, as a patriotic American, want to do what I can to avert this enemy.

I have become interested in the Christian Anti-Communism Crusade and its director, Dr. Fred Schwarz. Would it be possible for you to send me a letter stating that the Christian Anti-Communism Crusade and Dr. Schwarz have had complete clearance by the FBI? This is to satisfy the questions asked me by some of my friends who are also interested in the fight. I feel that they cannot question the FBI. Hoping that you will be able to give me this information I remain,

Honorable Thomas B. Curtis

Washington 25, D. C.

My dear Congressman:

I have received your letter of February 14, 1961, concerning an inquiry from one of your constituents as to whether or not the names of the groups he mentioned appear on a list of known communist organizations.

In this connection, the FBI, of course, does not maintain such a list. Our jurisdiction and responsibilities do not extend to making evaluations or drawing conclusions as to the character or integrity of any individual, publication or organization. However, the organizations mentioned in your letter have not been investigated by the FBI. I know you will not consider this a clearance or nonclearance of these organizations by this Bureau.

Enclosed is a copy of a list of organizations cited by the Attorney General pursuant to Executive Order 10450 which is available through the Subversive Organizations Section, Internal Security Division, U. S. Department of Justice, Washington 25, D. C. In addition, the House Committee on Un-American Activities had a booklet, "Guide to Subversive Organizations and Publications," now out of print I believe, which is probably at most public libraries. I hope the foregoing may be of some assistance to you in this matter.

Bufiles reflect we have had cordial relations with Congressman Curtis in the past. Assistant Director DeLoach has shown me your letter of February 14, 1961, enclosing a copy of the folder on the Orange County School of Anti-Communism, and we appreciate your kindness in informing us of the program.

Your active interest in combating the Communist menace is indeed encouraging. Enclosed you will find a folder of the Anti-Communism School to be held in Anaheim March 6 through 10. This is the school I discussed with you in our conversation February 3. I would like to have Mr. Hoover's endorsement on this school as soon as possible.

I'm sorry I did not have an opportunity to call [redacted] while in Washington, but with your snow and cold weather, I was in a hurry to get back to sunny, Southern California. I hope that you can schedule an inspection tour of the bureau offices in Southern California in the near future, preferrably when you have snow there and we are having seventy degree weather here.

Everything here is as fouled up as usual, and I am still fighting the movie industry. I will send you some more information on the movie industry shortly.

STAFF CONSULTATION

The following consultation by the staff of the Committee on Un-American Activities was held at 2:55 p. m., Wednesday, May 29, 1957, in room 226, Old House Office Building, Washington, D. C.

Staff members present: Richard Arens, director; William F. Heimlich, consultant, and Richard S. Weil, staff member.

Mr. Arens. Dr. Schwarz, will you raise your right hand and be sworn by Mrs. Eduora Bernard, the notary public.

Mrs. Bernard. Do you solemnly swear that the testimony you are about to give in this hearing will be the truth, the whole truth, and nothing but the truth, so help you God?

Dr. Schwarz. I do.

TESTIMONY OF DR. FREDERICK CHARLES SCHWARZ, EXECUTIVE DIRECTOR, CHRISTIAN ANTI-COMMUNIST CRUSADE

Mr. Arens. Kindly identify yourself by name, residence, and occupation.

Dr. Schwarz. My name is Frederick Charles Schwarz, S-C-H-W-A-R-Z, My official home address is 142 Concord Road, Concord, Sydney, New South Wales, Australia. My American address is Christian Anti-Communist Crusade, Box 890, Long Beach, Calif., and I am the executive director of the Christian Anti-Communist Crusade.

Mr. Arens. Dr. Schwarz, on behalf of the staff of the Committee on Un-American Activities, I am happy to welcome you here for this staff consultation, which is pursuant to the overall policy of this committee in which we try to contact and make a record of statements of people who have had extensive experience and can shed some light on many of the facets of the world Communist conspiracy.

Would you kindly, for our record, give us a word about your own personal history and background?

Dr. Schwarz. I was born in Brisbane, Australia, on the 15th of January 1913. I was educated at the schools of Brisbane and I attended the University of Queensland, which is the northeastern state of which Brisbane is the

human nature, perfect human character, and populate the entire earth with a new quality of personality infinitely superior to any that history has ever known. The appeal that attracts the young student is almost a religious appeal that his life can be utilized for the regeneration of all mankind.

Mr. Arens. Would you care to elaborate on that theme, Doctor?

Dr. Schwarz. When you ask the Communist simple question: "How are you going to change human nature?" they would answer with one word, and that word is "science." "We are scientists. Science has changed the material world. Science has changed the world of agriculture. Science has changed the world of animal husbandry. We can use science to change human nature itself."

This sounds very appealing. You can understand how this sounds to a young student infatuated with the techniques of science. To participate in using science for its greatest achievement is a seductive vision.

However, to be scientific you must follow scientific laws, and communism then proceeds to give it three scientific laws. These laws are as follows:

The first one is "There is no God." They are proudly, unashamedly atheistic in theory and in practice. When they deny God, they simultaneously deny every virtue and every value that originates with God. They deny moral law. They deny absolute standards of truth and righteousness. An entire civilized code of moral and ethical values is destroyed so that they are free to erect in their place new moral and ethical standards as the occasion demands.

The second law of communism is that man is a material machine. He is matter in motion and nothing more. Man is a body, and he is completely describable in terms of the laws of chemistry and physics. Man has no soul, no spirit, no significant individual value, no continuity of life. He is entirely an evolutionary product, the specie Homo sapiens, and subject to modification, adaptation, and transformation by the applied, established laws of animal husbandry.

William Z. Foster, chairman of the American Communist Party, expresses it in his book, the Twilight of World Capitalism, which he wrote in 1949. In the last chapter, The Advent of the Socialist Man, he writes:

Henceforth, the evolution of human species must be done artificially by the conscious action of man himself. Their second law, therefore, is the material animal nature of man.

The third law of communism is moral determ

impulses, gives of his best for the general well-being, and out of the abundance thus created retains only his own personal needs. Farewell anger, lust and greed, envy, malice and strife, pestilence and war; enter golden, companionable, co-operative brotherhood; mankind will live together in the glorious day of communism that has dawned on the earth.

Mr. Arens. Doctor, may I pose this question: How, to the Communist mind, is this world of goodness and of plenty and of unselfishness and love, consistent with the program which we see in effect in Communist regimes, a program of bloodshed, of deceit, of inhumanity, and the like?

Dr. Schwarz. It is the justification for it all. You see the goals. To sacrifice one or two generations is not a very big price to pay for such a glorious goal from their point of view.

The Communists are confronted with this problem: When they conquer the world, they are left with those people who have been brought up in the capitalist environment. They have had their experience. It has formed their character and personality. Naturally, if you leave the babies and the children with them, they will impress that character and personality upon them, so the Communists are confronted with a problem of what to do with the adults of established character and personality once they have conquered the world.

Being thoroughly materialist scientists, they do not hesitate. They say they have no alternative. Naturally, they must dispose of these classes. To them it is not murder. Murder is a bourgeois term which means killing individuals for bad reasons. They are going to kill classes for good reasons.

Mr. Arens. Is it your theme, Doctor, that the practice of communism in the world is consistent with the theory of communism?

Dr. Schwarz. Exactly. Inherent within the theory of communism is the greatest program of murder, slaughter, and insanity conceivable.

Mr. Arens. It is your theory that to the Communist mind the practice of communism and the theory of communism are coextensive, that they complement one another?

Dr. Schwarz. Exactly.

Mr. Arens. What is your appraisal of the murder, deceit, and treachery which even the Communist regimes assess against Stalin?

Dr. Schwarz. To the Communists murder treachery and torture are frequently moral a

class of mankind, and the reactionary bourgeois class. The waging of this war is the great duty of all class-conscious proletarians; the future is the triumph of the proletarian class. The Communist Party is the brain of the proletarian class, and the war that manifests itself within a state is a conflict between the Communist Party and the state government until the Communist Party destroys and conquers that state. Once that is done, it manifests itself in the international realm in a state of war between those countries that have been conquered by the Communists and where their power is established and those countries as yet unconquered. The basis of Communist policy is the existence of the class war. To them it is a fact of being.

So within this framework every act which advances their triumph is righteous. Every statement that helps their cause is true.

Mr. Arens. They overlooked the Christian philosophy.

Dr. Schwarz. They wiped it out entirely.

Mr. Arens. The philosophy that the end never justifies the means.

Dr. Schwarz. The end creates the means. Any act, however brutal, and no matter how many people are killed, that advances the Communist conquest, is a peaceful act.

Within this framework of ideology and morality, no Communist can tell a lie in the interests of communism because by definition, if it is in the interest of communism, it is the truth. A person is only a material machine and truth is merely a set of electronic impulses that circulate within his brain. The ultimate truth is the will of the Communist Party. Every basic term that we use has been redefined by the Communists in terms of the class war. For example, as you well know the word "peace" is one of the great words in the Communist vocabulary and most folks think they are hypocrites when they use the word "peace."

Mr. Arens. Certain people in high places in government have professed that the Communist regime in Soviet Russia wants peace.

Dr. Schwarz. They do want it.

Mr. Arens. What kind of peace do they want?

Dr. Schwarz. You have to understand that their basic concept is that class war is a fact of being and that peace is the historical synthesis when communism defeats the remainder of the world and establishes world Communist dictatorship, which is peace. If you ask a true Communist to take a lie detector test and ask him if he wants peace, he would pass it with ease. He would look at you with a light in his

TE CHRISTMAS IN THE FUTURE?

NOT UNLESS Your children, and their educators, quit swallowing whole the false, sugar-coated one-sided description of vicious Communism supplied by dedicated Communist sympathizers.

NOT UNLESS Americans generally begin to understand that Communism is NOT just another political party.

NOT UNLESS Otherwise well-meaning Americans begin to understand that "academic freedom" without morality leads to national suicide.

COMMUNISM IS OUT TO DESTROY YOU!

there was no manifestation of it whatsoever. If anything, their tears on behalf of the Rosenbergs flowed more freely. Their agony became more intense. To us they were utter hypocrites, but not to themselves. The execution of the Rosenbergs was an act that would retard Communist world conquest. Therefore, it was an evil act. Therefore, the Rosenbergs were guiltless. Therefore, the evidence against them was perjury. Therefore, those who gave the evidence were perjurers and criminals. Therefore, every progressive and moral proletarian heart must be emotionally disturbed because of this dreadful and evil act perpetrated with cruelty, brutality, and injustice. On the other hand, the arrest and execution of the Czechoslovak Jews would advance Communist world conquest; it would please the Arabs; it would set the stage for Communist influence in the Near East, which we see coming to fruition today.

It was an act in the interest of world conquest by communism; therefore, it was a good act. Therefore, they were guilty. Therefore, they were criminals. Therefore, the evidence against them was true. Therefore, every progressive heart must feel a sense of elation and rejoicing that justice triumphed with their death.

Mr. Weil. I think the theory behind that is excellent. But the evidence we have today seems to point to the fact that the Communists wanted the Rosenbergs executed, as a matter of fact, because they felt the Rosenbergs alive might be witnesses against the Communist apparatus. That bears out the impression of hypocrisy.

Dr. Schwarz. There is nothing inconsistent in their moral framework of believing all that and wanting them executed at the same time. There is nothing inconsistent in that because each individual is merely an expendable animal; and if their dying is going to help the Communist cause, then it is a good act. They could want them executed and yet feel compassion for them and anger against their brutal executioners. We have established that inherent within Communist ideology and morality there is a program of murder, treachery, and brutality and that the theory of communism translates these acts into highly moral acts. The theory of communism destroys every basic moral value on which civilization, and particularly Christian civilization, is built.

Mr. Arens. Doctor, is there some kind of analogy that could be made between what you are saying and what your experience must have been as a surgeon, namely, that a surgeon, as he undertakes to eliminate a cancerous cell or organism of the body, cuts into noncancerous material and does it feeling he is doing so on perterms of its recruitment of students, the organization of these students into the Communist Party and the scientific exploitation of group needs, grievances and ambitions to advance their party to power. The goal of communism is conquest, not conversion. They convert a few and conquer the many.

Mr. Arens. It is our information, Doctor, that there are in the world today approximately 25 million Communists. Is there any cohesive force that is opposing them?

Dr. Schwarz. Unfortunately, no.

Mr. Arens. Is there any monolithic force of any comparable size?

Dr. Schwarz. Unfortunately, I know of none. I know of no monolithic, conscious, dedicated, directive force to oppose them. What is needed, and that brings us to a second point—

Mr. Arens. I would like to ask you, before you get to your second point, if there is a fallacy in undertaking to appraise the strength of the world Communist movement in terms of numbers?

Dr. Schwarz. A very definite fallacy involved.

Mr. Arens. Why?

Dr. Schwarz. Because it is trying to determine the validity of the hull of the boat by relating the area of the holes to the area which is sound. One hole can sink the ship. Communism is the theory of the disciplined few controlling and directing the rest. One person in a sensitive position can control, manipulate, and if necessary, destroy thousands of others.

Mr. Arens. To use this illustration of your boat, you need only one man to pilot the wheel.

Dr. Schwarz. That is right. If he wants to run it aground, the fact that the other thousand people want to keep it at sea has little bearing on the result. Lenin's slogan was fewer but better; the dedicated, disciplined, who will conquer and control the great multitude.

Mr. Arens. Doctor, on the basis of your extensive study of communism, is it conceivable that we can negotiate ourselves out of the struggle, negotiate with the Soviets, the international Soviet operation?

Dr. Schwarz. To negotiate true peace with people who are utterly dedicated to the concept of the historical inevitability of class war and their victory is impossible. To think that we can do it is to indicate a failure to understand communism so completely that it approaches mental illness. To the Communist every negotiation is an act of war. Every delegation is an act of war. Every peace petition is an act of war. Every disarmament conference dox that confronts us. **The problem is, and I know this is a problem that confronts your committee all the time, how can we rout them out, expose and disarm them without doing damage to the constitutional system and liberty under law which are so cherished in America? I believe it can be done, it must be done; and it is being done.**

Mr. Arens. I would like to have you elaborate, if you please, sir, on the way in which, in your judgment, the ideology and morality of communism can be exposed for what it is, the fallacies of it actually exposed and how to actually meet it with a superior and more sound ideology.

Dr. Schwarz. I believe that the problem is largely an educational one, but it is also a spiritual one.

If I may say so, I think your committee has done a magnificent educational job. I do not know if that is the prime function of your committee, but you have certainly done a splendid educational job in revealing not only the theory but the actual practice and character of communism and Communists.

I believe that communism should be taught in the educational system, but I believe it should be taught with a moral directive, in the same way that a medical student is taught that cancer is evil, that tuberculosis is evil and education about them is directed to their elimination and defeat. I think the teaching of communism without a moral directive can be very dangerous. Teaching it with a moral directive, should emphasize the basic foundations of American civilization, revealing the enemy threatening their destruction, the erroneous beliefs leading the Communists to undertake the destruction of freedom, the methods by which they propose to destroy, and what must be done to defeat them. If it is presented without moral direction, it appears simply as an alternative economic system with certain superior virtues. This has frequently been done in the past and instead of opposing communism, it tends to recruit to communism.

I believe there is a great problem before the American people to provide education with a moral dynamic that reveals communism as a rationale of murder and lying and the destruction of freedom. It is totally immoral, and mental and emotional barriers against it should be erected in the minds of the young.

Then there is also the problem of what is to be done throughout the world, because communism is advancing by a pincers movement. It is advancing by internal de- things; but in its approach to the Indian, it appears to be favorable to them.

I am informed by Indians that the majority of Christians in India vote Communist. The reason they vote Communist is not because they approve of Communist theories, they haven't the faintest idea what they are. They vote Communist because the Communists sent a very fine young student to their village with glorious magazines showing them how much their life will be improved under communism.

Mr. Weil. What do we do; send more magazines?

Dr. Schwarz. Not so fast. First the Communists had to win the student who takes the magazines. We need an ideological offensive. That is what I am trying to do. I am an evangelical Christian and there are evangelical Christians in India. We have a basis of fellowship. Communism threatens us both. By personal association and contact we can build the understanding of the Communist danger. We have the tools that can help them convey the message to other Christians and the Indian people. It is much better that they should do it. We can help them. Our material advantage can now be effectively used when dedicated freedom-loving people, encouraged by our love, equipped by our support, carry the message of the value of the individual and the spiritual heritage of man, interpreted in the light of their specific faith, motivated by the dynamics of their conviction, when they carry this message and the corollary of the Communist threat to their own nationals.

Mr. Arens. On the basis of your worldwide tours, background and experience, what is your appraisal of the progress of internal communism as opposed to the forces of freedom at the present time?

Dr. Schwarz. I regret to say that, by every standard test, the Communists have been making terrifying progress; and they are winning and we are losing.

Also in regard to your question, I think that the following illustration may be significant: Recently, for the first time, I saw the mechanical brain, the Univac machine. The firm was quite a small firm and yet to them it was so important that they paid $1,000 a month rental for it. They explained to me its purpose: They fed into it the statistics of the past, and the machine analyzed them and then predicted future trends. These trends were so accurate that they formed the foundation for their policy.

I said to the president of the firm, "Let us feed in the statistics of Communist advances of the past 50 years and see what year the Univac predicts the Communists will conquer the world. Lenin established Bolshevikism with 17 supporters in 1903. He conquered Russia with 40,000 supporters in 1917, and today they have conquered more than 900 million." The president of the company said, "I am afraid to try it."

The Communists claim victory is certain for the following reasons: They say it is inevitable, because we are the product of our own environment which has created us so intellectually dishonest, so unwilling to face the evidence, so selfish, so greedy, and so intoxicated with

capital. At the university I studied, first, science. I graduated in science with major subjects mathematics and physics. I later graduated in arts in which I studied philosophy and political economy. After teaching school and being a lecturer in mathematics and science in the Queensland Teachers College, I graduated in medicine and surgery from the University of Queensland Medical School. Following graduation, I established a general medical practice in Sydney and, for a time, was psychiatrist for the Cathedral Marriage Guidance Clinic of Sydney and the New South Wales Community Hospital.

I am an evangelical Christian of Baptist denomination and have been a lay preacher for many years.

Mr. Arens. Doctor, would you kindly tell us how you became interested in your work in the anti-Communist movement?

Dr. Schwarz. At the University of Queensland, in the late 1930s, I was active in the Inter Varsity Christian Fellowship while the Communists were also active at the university in the Labor Club. We entered into a dispute on the philosophical conflict between God and materialism. I had my first debate with a Communist in 1940 when I debated with Max Julius, a very prominent Communist, now a member of the Central Committee of the Australian Communist Party.

Following this debate my interest quickened, and I read profoundly of the Communist text of Marx, Lenin, and Stalin and challenged other Communists to debate. Over a period of years I was active in lecturing against communism and debating with Communists within Australia, with special emphasis on the philosophic conflict of God and the value of the individual, as against materialism and the individual's insignificance in relation to the state.

Most of my activities were confined to church and religious circles and conducted in association with my medical practice.

In 1950 I made my first trip abroad, visited in America, and returned to Australia. The response to the message was such, and the need such, that my medical practice is now closed; and I am on my sixth world tour and I am now executive director of the Christian Anti-Communist Crusade, which is active in America and Australia and indirectly in many other parts of the world.

Mr. Arens. Thank you for that background information, Doctor.

May I pose this general question to you as a point of departure in your consultation with us today: How would you characterize or describe the ideology and morality of communism, and how, in your judgment, can that ideology and morality be countered or met in this world struggle?

Dr. Schwarz. The ideology of communism is applied Godless materialism. The problem that perplexes many people is the overwhelming appeal that communism apparently exercises for the student mind.

Mr. Arens. What is the nature of that appeal, Doctor?

Dr. Schwarz. The nature of that appeal is a promise that the student can achieve two things by association with the Communist Party. He can participate in the conquest of the world and, following the conquest of the world, he can then participate in a program to change

The third law of communism is economic determinism. It states that the qualities of human intelligence; personality, emotional and religious life merely reflect the economic environment; that in the last analysis what we think, what we feel, what we believe, whom we love, and whom we worship is simply an expression of the environment in which we are raised, and since that environment is primarily concerned with economic forces, in the final analysis, man is a determined economic being.

Mr. Arens. I can hardly restrain myself at this point from posing this question, even at the risk of breaking the theme: If the Communists' major premise is correct, that you and I are not morally responsible, then why would the Communists in the same breath turn around and try to assess moral responsibility against what they describe as the capitalists?

Dr. Schwarz. In the final analysis they do not do that. They consider themselves as superior to the capitalist as the farmer is superior to his animal. Moral responsibility is not involved. They understand capitalist motivation as the automatic outcome of capitalist economics. Since the root is evil the fruit must be so. It is their duty to destroy the root and frequently the fruit. The concept of his moral guilt does not enter into it any more than when a farmer destroys an animal giving a positive tuberculin reaction. You do not consider that animal morally responsible. He belongs to a certain class which by reason of its association, has developed a certain potentially dangerous character, and no matter how splendid the animal, its destruction is obligatory.

Communism rests on a class concept. They believe the proletariat class is the progressive class of history and that the capitalist classes, the degenerate classes, are discarded by history and must be destroyed. To them this is the law of historical development. To argue on a bourgeois moral basis merely reflects degenerate class origin.

Economic determinism is the third law of communism.

Applying these laws, communism asserts that the environment of capitalism is a degenerative environment and it creates degenerate people. The responsibility for individual evil, for vice and crime, for selfishness and greed in all its manifestations is not that of the individual. It is the projection of the capitalist environment into the individual.

The Communist believes that if you are going to change the individual, if you are going to change mankind, it is foolish to think that you can do it while the degenerative capitalist environment exists. First, you must conquer the world and, having conquered the world, you must destroy the capitalist environment which is built on profit, selfishness, and greed. You must replace it by socialism which is built on service, co-operation, and unselfishness, so that from birth the experiences of the environment will build into the character unselfishness, co-operation, and service, and as these children mature to adolescents and adults everyone will work because they love to work; everyone will give because it is better to give than receive; the hand of no man will be raised in anger against his brother; there will no longer be any need for government and government will wither and die. There will be no need for a police force; there will be nothing for police to do. There will be no need for an income-tax department because everyone working, according to his natural

They cannot regenerate human nature until they have destroyed the capitalist system. They cannot destroy the capitalist system until they have conquered the world.

Mr. Arens. What would be the mental processes by which Khrushchev could condemn Stalin for murder?

Dr. Schwarz. He did not condemn him. He justified him. In his speech on Stalin, that is the most amazing feature. We say Khrushchev condemned him because we read his report on Stalin's incredible acts and mental attitudes. We pay no attention to Krushchev's climax. He portrayed Stalin's acts which were the most fiendish, the most brutal, the most evil in the record of man. He shows Stalin as a multiple murderer. He shows him the murderer of millions. He shows him as sadistic and insane. He shows him personally dictating the torture of his own friends. He showed, for example, when the Jewish doctors were arrested and accused of poisoning Zhdanov, Stalin called in their interrogator and said, "If you don't get a confession, we will shorten you by a head." After he portrayed the whole macabre spectacle, he finished up with this statement, in effect: "Mind you, don't misunderstand! Stalin was a good man. He did these things as a Marxist-Leninist. He did these in the interest of the working class. He was no giddy despot."

He finished up with a moral justification of Stalin. That leads us to Communist morality. Morality is relative and related to the objective situation.

You cannot regenerate mankind until you have destroyed the capitalist world, and you cannot destroy capitalism until you have conquered the world. The process of world conquest involves waging successfully the class war. Within the present phase of the world struggle, at the heart of existence, there is this universal war. As Lenin stated, "Proletarian morality is determined by the exigencies of the class struggle."

Mr. Arens. Could I interpose this question to perhaps clarify our record: Khrushchev, as we all know, had charge of the liquidation of the Kulak class. About 10 million of his countrymen were liquidated, what we would call murder. A crime of such enormous scope that the average human mind could not begin to comprehend it. In your appraisal of the Communist philosophy and motivation in life, could Khrushchev, as a dedicated Communist, have a twinge of conscience about those murders?

Dr. Schwarz. None whatsoever.

Mr. Arens. Why, Doctor?

Dr. Schwarz. Because these murders were in the interest of the advance of Communist power and world conquest and in the direction of history's will; therefore, they were moral and righteous acts. Any twinge of conscience would be a remnant of Khrushchev's bourgeois upbringing and a failure of his Communist personality.

Mr. Arens. Could you give us a further word, Doctor, on this ideology of the Communists on the inevitability of communizing the world?

Dr. Schwarz. Yes, sir. Their basic theoretical concept derives not from Stalin, not from Lenin, but from Marx. The concept is the universality of class war. This is their theoretical concept. War is a state of being. War exists between the proletarian class, which is the future

eye and say he lo[illegible]

Mr. Weil. Communist peace, not peace understand it.

Dr. Schwarz. Every act that contributes t Communist conquest is a peaceful act. If they a gun, they take a peaceful gun, containing a p ful bullet, and kill you peacefully and put you peaceful grave. When the Chinese Commu murder millions, it is an act of peace. When Russian tanks rolled into Budapest to butcher destroy, it was glorious peace. Peace is wond and within their framework of ideology wha helps their conquest is peaceful, good, and true

Mr. Weil. I would like to ask one question of as a psychiatrist as well as an analyst of the Commu ideology. There comes a point when all this re-evalu and redefinition has progressed to a point where it longer reconcilable with reality, and even the Commu themselves must recognize this. Have they not rea that point?

Dr. Schwarz. I do not believe they have reache They have reached the point of insanity.

Mr. Weil. You think Khrushchev still believes i classic theories as you expounded them?

Dr. Schwarz. I believe that paranoia is at the h of communism and that their theoretical concepts are more convincing to them than the evidence of the fact believe, for example, that they, in their own mind, be that the riots in Hungary were organized by the vic American imperialists. There is this element of paran self-deception at the heart of communism. I do not t that they are just hypocrites; they have merged the t niques of hypocrisy with the virtues of sincerity, crea a very powerful instrument.

Mr. Weil. Mass paranoia itself is a term which be quite deceptive.

Dr. Schwarz. It is a powerful instrument. That sanity is manifest in the world hysteria they stirred about the Rosenbergs. The Communists manifested t tremendous efficiency as agitators around the world behalf of the Rosenbergs. The name "Rosenberg" beca the best-known American name throughout the wo There were riots in many countries, and actually quit number of people died in these riots on behalf of Rosenbergs. Everywhere the Communists and t friends were heart stricken and desperately misera because of the dreadful anti-Semitic conspiracy that leading to this cruel persecution of these two poor Ros bergs.

In the midst of it all, they suddenly arrested a lot their own leading Jews in Czechoslovakia, men of po tion, power, and Communist character; and after a fa of a trial, which occupied about 2 weeks, they publi executed them. The outsider looking on would say, "W sort of people are these? How hypocritical can you be

The two Rosenbergs had been given a fair trial. T trial was before a jury of their peers, conducted by impartial judge. Appeals were heard and every civil l erty granted that the fairest judicial system in the wo can provide. In Czechoslovakia, these Jews were practica murdered after the most summary of judicial farc What hypocrisy! You would expect the Communists have at least some sense of guilt and inconsistency,

fectly moral grounds because he is trying to save life? Is that the approach that you are saying that Communists have toward the ultimate goal of redemption of the world by communism, that they can take lives, innocent lives, because the over-all objective is one of saving humanity?

Dr. Schwarz. The tragedy of communism is not simply that it murders, but it transforms murder into a moral and righteous act. When a person does evil and he is conscious he is doing evil, you have a basis of approach; but when evil becomes good, you have no starting point, you have nothing about which to argue. The great evil rests in the philosophic, basic concepts of communism when it rejects God, when it materializes and bestializes man, and when it denies the inherent dignity and value of human personality and individuality. Upon that ruthless, amoral, materialistic basis it builds an edifice which destroys evermore every civilized, moral, ethical, and spiritual value.

Mr. Arens. Before we get to the second side of your coin, you have told us, first of all, on the basis of your background experience and study, the ideology and morality of communism, and you propose to tell us, as I understand it, how to meet and defeat this ideology of communism.

Before we get to the second side of the coin, could I ask you a question or two, if you please, Doctor?

How do you account for the fact that this ideology of communism, which is contrary to all that you and I as Christians—and I say it in the broadest term—people who believe in God and believe in spiritual values, how do you account for the fact that this force called communism, evil as it is, unappealing as it is to those with any sense in them of goodness, is sweeping across the world with a speed that is hitherto unknown in the history of the world, that it now encompasses about one-third of the population of the world from a start of about 50 years ago? How do you account for that?

Dr. Schwarz. First, the reason is their recruitment of the student intellectual, who is susceptible to the appeals of communism by reason of his educational conditioning. He accepts that materialist foundation on which Communist ideology and morality is built. He is recruited in terms of his ideological pride. He is more intelligent than the average man, and he sees the opportunity to mold man and create history, whereas the dull, brutal driven herd sweeps on unaware of the forces that create it and drive it forward. He is one of the elite, the chosen, and the intellectual aristocracy. In combination with this intellectual pride, the religious nature of man demands a purpose in life; they find in this vision of human regeneration a religious refuge for their Godless hearts.

Second, there is their superb organization. The origin of effective communism came with totalitarian organization, the formation of the Bolshevik segment of the Russian Democratic Labor Party under Lenin. Communism illustrates the truth that the disciplined, dedicated, scientific, intelligent, and organized few will be able to exploit and direct, deceive, and conquer the selfish, undisciplined, disorganized multitudes. Communism is advancing in is an act of war.

Mr. Arens. Could we trust them in negotiating with them in a disarmament conference?

Dr. Schwarz. As long as keeping their promise would advance their program of conquest, they could be trusted to keep it. The moment that keeping their promise hindered their program of world conquest, it would be their moral and righteous duty to break it. Actually, crazy as it sounds, to them, breaking their promise would be keeping it.

Mr. Arens. Doctor, with this record reflecting your comments on the ideology and morality of communism, we would be very happy to have you proceed to give us your views on how the free world can meet and defeat the ideology of communism.

Dr. Schwarz. The first step of Communist conquest is the ideological conquest of the student mind. That is always the first step. Our first step should be the immunization of the student mind against that conquest by the Communists.

The Communists have never been able to make progress until they have been able to get these student intellectuals to be their standard bearers. This poses a problem both within and without the country. Within the country the educational system, the legislative system, the family, the religion, and all cultural influences should be so tuned that they build a mind and a character with an understanding of the American heritage and moral values; a confidence in your constitutional system, your government by law, your economic systems of free competitive enterprise. Associated with this understanding, there should be a national patriotism that will immunize the youth against the very insidious Communist propaganda.

The first thing is to educate young people who believe in their God, their country, their family, their Constitution, their liberty under law and who are proud of their heritage. They then will not easily be swayed by Godless, materialistic concepts.

Mr. Arens. May I pose a question as this point, Doctor: Have not the Communists even perverted these institutions, such as loyalty to Government, such as the true tenets and principles of the Constitution?

I know when this committee has hearings in which we subpena before us people who are identified under oath as hard-core members of the Communist conspiracy, they very cleverly attack the committee as though we are the ones out to destroy the Constitution, as though they are the ones who are defending the Constitution by invoking the fifth amendment, and they have a significant segment of the so-called liberals of the country who go right down the line with them.

Dr. Schwarz. Exactly. This is the paradox. Here are our very precious, cherished liberties that did not come about by accident, that are the envy and admiration of the rest of the world; here is a group of people, the Communists, openly dedicated to their total destruction and yet these Communists are able to take advantage of these very liberties and to hide behind these liberties for their purposes of destruction and to recruit as their "runners of interference" well meaning American citizens. This is the paradox.

Mr. Arens. Do you remember the quotation from Lenin on that, that they will encircle the United States and it will fall in the hands of the Communists like an overripened fruit?

Dr. Schwarz. That is their program. The tragedy of our approach to the Communist danger throughout the world is that it is almost entirely on a materialistic plane that we are trying to defeat them.

Here is the great paradox. The Communists profess themselves to be materialists, and we profess ourselves to be idealists and spiritual people. As a consequence of these beliefs, the Communists are winning the world by first winning the students ideoligically, while we try to combat them by material means. Basically the program, at least if you look at it budgetwise, is about $40 billion approximately for military weapons, then about $3 billion to $4 billion for material assistance, and a tiny fragment for purposes of information, education, and spiritual warfare.

The paradox is this: Basically, much of our program to combat communism rests on a Marxist foundation. Marxism teaches that the ideas of the mind, as well as the emotions of the heart, emerge out of the material environment.

When we want people of the world to resist the Communist idea and to embrace the idea of freedom, we think that if we give them material benefits this will automatically come to pass, and so the idea is to give economic aid and military assistance in the expectation that communism will lose its appeal and freedom will triumph.

The foundation is wrong. Materialistic measures do not control the minds and the hearts of the people. This must be done in a more direct fashion. We need a scientific approach that will utilize the moral, cultural, and spiritual values in each of these countries. We need a loving, friendly, co-operative spirit, and a direct approach to their minds and hearts to mobilize them against communism.

Let us consider India. The Communists want India. If they conquer India the consequences are incalculable. The average Indian must have a reason for being against communism. What reason is significant to him? You cannot say it is against his economic well-being. His economic well-being is so low that it is difficult to make it any lower. You cannot say it is against his constitutional liberties. He does not quite understand what they are. It must be against something which to him is meaningful and significant, it must threaten something to him that is valuable. The Communists very cleverly deceive and hide their destructive program from each group as they exploit their needs and conquer them.

There are certain forces which, properly organized, will mobilize the people against communism. To the Indian his religious faith, whether it be Hindu, Moslem, or Christianity, is important. His family relationship is important. His moral code is important. His national aspirations are important. Communism is against all these

ception, confusion, misrepresentation and weakening and external growth of power. They believe that by a combination of the internal confusion and degeneracy, in combination with the growth of the external threat, the final act of conflict can be consummated without war and their violence can follow later.

entertainment that we will never have the honesty, the intelligence, the courage, or the dedication necessary to do what must be done if we are to survive.

Mr. Weil. What must be done if we are to survive?

Dr. Schwarz. We must face honestly the gravity of the situation. We must give it priority in our thinking and in our actions. We must build a strong base of freedom-loving people articulate in their faith, in their love of country, in their love of God, in their love of home, and in their love of law, and we must rally the spiritual forces in the heart of man and recruit dedicated personnel to raise barriers against communism in every area of the world.

The fundamental foundation of opposition to communism is an informed public opinion and a dedicated public character. On these alone the necessary legislative, administrative, judicial, military, and economic and education programs may be built.

We have to set to work urgently building the foundation for Communist defeat. Most of our present program, such as the military program and economic program, are temporary measures which may hold back the flood for a short period and give us a little more time to find a permanent solution.

In conclusion may I say that assessing all the evidence on a worldwide scope the Communists' continuing advance is terrifying, and the possibility of the fulfillment of Khrushchev's boast, "We'll bury you," looms closer every day.

Mr. Weil. If the present rate of Communist advances continues, how long do you think it will be, in your analysis of world events, before the Communists take complete control of the world?

Dr. Schwarz. I think the Communists have more or less tentatively set the deadline for about the year (1973.) Mao-Tse-tung and Stalin in their last conference thought it would take 4 more 5-year plans, approximately 10 years for the conquest and consolidation of Asia, with the immediate threat to Africa and Europe, while the weakening, softening, and degeneration of America continues, and avoiding an atomic-hydrogen war, their conquest is contemplated about that time.

Mr. Weil. You mean 10 years from now for the consolidation of Asia, and this program does not envision a hydrogen bomb war?

Dr. Schwarz. The basic Communist strategy in 1952 renounced the inevitability of world war III. World conquest without war, which is called co-existence, became their basic strategy. I would not be surprised that they would like some disarmament, as all they look to from military might is a stalemate. If they can reduce the armament burden and retain this stalemate, they will have more funds available for propaganda, and political and economic warfare.

Mr. Arens. Thank you very much, Doctor. We deeply appreciate your contribution in this staff interrogation.

(Thereupon, at 4:15 p.m., Wednesday, May 29, 1957, the consultation was concluded.)

Dear sir:

My husband and I are just average American Citizens, many of whom are just beginning to comprehend the terrible menace of Communism and its threat to the security of our country and its people.

Your forceful and enlightening book "Masters of Deceit," public forums and lectures by such people as Paul and Marion Miller Fred Schwarz, W. Cleon Skousen and others are serving to awaken us in Orange County as well as the rest of the nation to the horrors of Communism.

But I am sure you are aware of all that and that is not my purpose in writing to you-- I wish to ask a question.

My husband and I are keenly interested in joining with others in our community and country in the fight against communism, by joining the Orange County Freedom Forum.

Many of our friends have evinced interest in the group also, but they hesitate to join because the Orange County Freedom Forum is sponsored by the Christian Anti-Communism Crusade and some of them being of the Jewish faith, wonder whether people of Jewish faith would be accepted and why the title Christian Anti-Communism Crusade if every American is being called upon to do his part to combat Communism

It may be that just the title is making others hesitate before joining also--

Questioning the aims and ideals of this organization is is probably as ridiculous as if I were to question the purpose and aims of the F.B.I. but the title has been bothering my husband and myself to a great degree.

I have noted that altho Paul and Marion Miller presented a wonderful lecture under the sponsorship of the Orange County Freedom Forum that they are not members of the faculty - of the Orange County School of Anti-Communism which starts March 6 - 10 in Orange County and as far as I can ascertain neither Paul nor Marion Miller are members of the Christian Anti-Communism Crusade and they are both of the Jewish Faith.

I find this disturbing and altho it may be of absolutely no consequence - my husband & I both feel that clarification of the status of the Organization by the Federal Bureau of Investigation would be welcome.

I should like to take this opportunity to thank you for your time and patience and for the wonderful job you and the Federal Bureau of Investigation are doing

I know how busy you undoubtedly are and I would be very grateful if you could take the time to answer this query for us - since it is the only thing that makes us hesitate in joining the organization.

Again, many thanks

I would like to point out, however, my strong belief that education is of strategic importance in the struggle between communism and the free world. Full knowledge of this evil conspiracy's true nature is vital if we are to effectively resist its influence. A lack of understanding is dangerous in that it is often responsible for the reprehensive and indiscriminate labeling as communists those who merely dissent or advocate unpopular or unorthodox views. When fully cognizant of the aims and objectives of communism, we can all share in the opportunity to combat this menace with the weapon it fears most--truth.

Dear Sirs:

Here in Nappanee we are considering the formation of an Anti-Communist Study Group. Some of us have read Mr. Hoover's "Masters of Deceit" and would like to learn still more about communist aims and methods of today.

The chief source of material which we have under consideration comes from the Christian Anti-Communist Crusade whose executive director is Dr. Frederick C. Schwarz. We have seen some of the material and heard one of his tape-recordings.

Is the Bureau able to evaluate this source of materials for us? We would like to secure an impartial appraisal.

One thing which we hope very much to avoid is getting into a situation where we would be party to casting suspicion on innocent persons. We have heard quite a bit lately from people who seem to have the idea that our government is overrun with high-placed individuals who are actually working for the communist cause. Often names are mentioned who are rumored to be in this category. We do not wish to engage in this type of thing.

Any information, therefore, which you can give to guide us in our choice of material for a useful study will be greatly appreciated.

Sincerely,

Gentlemen:

I recently saw a movie called "Communism on the Map" which is distributed by the Christian Anti-Communism Crusade in Houston, Texas. Seeing this movie has motivated me to write letters to my Congressman and to the President directly. However, my first reaction to this movie was one of very definite depression. I feel that the movie makes a very strong case for the strength of Communism and the inevitability of its overtaking of the world. I feel this movie makes a weak case for the possibility of the United States to stem this tide. This may be a flaw in the production of the movie. I wonder if you could confirm for me the background of this organization and whether or not it is supported or encouraged by any Communist or anti-capitalistic organizations or if any of its offices or key personnel are known to be members or sympathizers with Communism.

Dear Sir;

The enclosed list came into my posession last week. I copied it from a handwritten list. I was told that the names and companies on the list are known communists.

Here is my problem. No source was given for this list except some vague reference to some place in California. No proof was given as to one credence of this list. I don't know who originated it, when it was originated nor how it is distributed. Is there any truth in this list at all? are these people communists?

I will do anything in my power to combat the disease of communism. I do feel however that un authenticated lists of people who are supposed to be communists and may not be, can do more harm than good. I am backing the efforts of the Christian Anti Communism Crusade as I feel. That this is an effective way to educate the populace on the dangers of Communism.
